We would appreciate the Homes for all endorsement.

If you are requesting that Homes for All put this item on our Legislative Agenda, will your organization move this proposal forward even without the leadership of Homes for All? Will your organization commit to working on the policy agenda of Homes for All even if your proposal does not make it on the agenda this year? yes to both questions

What kind of resources are you able to bring to support advancement of your proposal?

(Example: dedicated lobbyist; community of engaged supporters; effective social media or communications plan; etc.)

This we will our fourth year working on
this legislation. We have a dedicated team of engaged
supporters included reporters from KSTP and Kare 11 who
have done stories and are willing to keep following the
movement. The MN dept of health has also been supportive
the past 3 years.

All proposals will be assessed to make sure they are consistent with the core values of Homes for All. Please review and complete the attached table and include it with your completed application form. Scoring on this table is one of several criteria used by Homes for All in determining our Legislative Agenda.

Homes for All Policy Proposal Assessment: Core Values Alignment Criteria

Name of Organization: <u>MICAH and Mission to the Streets</u>			
Proposal: <u>Support of S.F. 350 and H.F. 490</u>			
Does this proposal support the continuum of housing and services?	Does this proposal strengthen the connection between housing and services?	Does this proposal reduce barriers/improve access to stable housing?	Does this proposal promote choice in housing?
10 – Will directly and substantially contribute to the housing/services continuum by adding new or expanding/improving existing	10 – Will significantly strengthen existing connection in clearly articulated ways	10 – Will remove an endemic barrier or create a new point of entry for unmet needs or unserved population	10 – Will significantly expand the range of options for those who currently have very few available options
5 – Will somewhat support the housing/services continuum but not substantially	5 – Will create new connection where none is currently	5 – Will help alleviate but not remove barrier, or provide some but not full access to stable housing	5 – Will provide some limited options that do not currently exist
2 – Will have a nearly insignificant impact on the housing/services continuum	2 – Will parallel existing connection but not create new or expand existing connection	2 – May contribute minimal impact on barrier or provide slight improvement in access	2 – May provide insignificant increase in options, or rest on the assumption of free choice in market
0 – Will have no impact on the continuum	0 – Does not appear it will strengthen the connection and/or will perpetuate existing separation	0 – Does not appear it will either remove barrier or increase access to stable housing	0 – Does not appear it will promote choice in housing
