

## Homes For All 2018 Policy Agenda Proposal Application

Thank you for applying to have your organization's policy proposal considered by Homes For All for possible inclusion on its 2018 policy agenda. This application form, plus the Core Values Alignment Table, must be completed in full for every proposal to be considered. Completed application forms must be emailed to Homes for All Policy Committee Co-Chairs ( Libby & Fatima) by **October 17, 2017**. *Late or incomplete applications may not be considered.*

Name of organization: Alliance Housing Inc

Brief description of your proposal: \_\_\_\_\_

align w/ other organizations policy agendas that broaden the set of issues we've aligned with - especially those that affect the health & well being of tenants. The Prosperity of All & 2nd Chance Coalition alignment are good examples. I'd suggest Medicare, state health insurance programs, transportation (cost of bus fare)

Is this a multi-year proposal, or targeted for only one year? Could be either. The suggestion is for the longer term.

What level of support are you requesting from Homes for All: Legislative Agenda or Homes for Endorsement? Time & effort of further collaboration.

If you are requesting that Homes for All put this item on our Legislative Agenda, will your organization move this proposal forward even without the leadership of Homes for All? Will your organization commit to working on the policy agenda of Homes for All even if your proposal does not make it on the agenda this year? yes

What kind of resources are you able to bring to support advancement of your proposal?

(Example: dedicated lobbyist; community of engaged supporters; effective social media or communications plan; etc.) My own & Alliance's board of directors engagement & our social media accounts.

All proposals will be assessed to make sure they are consistent with the core values of Homes for All. Please review and complete the attached table and include it with your completed application form. Scoring on this table is one of several criteria used by Homes for All in determining our Legislative Agenda.
